Bob Peeters

IPM Senior Manager for the Private Sector at the World Customs Organisation

Since 2015, Bob Peeters joined the World Customs Organisation (WCO) IPM Private Sector team as the Senior Manager of the IPM Private Sector team.

The WCO is the only intergovernmental organization exclusively focused on customs issues and is composed of 180 countries, representing 98% of the world trade.

Bob is responsible for the promotion of the IPM Tool amongst the Private Sector with his global team. He is also involved in the expansion of the IPM Connected program, which mainly focuses on collaborating with authentication and track & trace technologies.

Prior to the WCO, Bob was working in the EMEA and APAC IT and telecom industry, focusing amongst others on security and integrity aspects of national and global networks.
